Flatline Whiteboard

Perfect for everyday use our premium quality porcelain on steel whiteboards provide the essential strength and longevity you need. The ultra-smooth surface is stain and scratch resistant and has low reflectivity.

Our Flat Line frame features clean lines and is low profile with moulded corners. This frame allows for easy installation and relocation of boards using our unique hidden fixing clips and installation method.

Features

- Stock held in standard sizes or made to order in customisable height and width options
- Premium porcelain on steel surface
- Use with magnetic products + accessories
- Durable and resistant to scratches and stains
- Low reflectivity for use with a projector screen
- Solid aluminium backing
- Cradle to cradle certified porcelain - no VOCs
- 25 year surface guarantee

Finishing Options

- Anodised aluminium frame
- Can be powder coated to colour of your choice as an optional extra
- Corner mitred option available

Accessories

- Aluminium pen shelf in anodised finish
- Hidden easy to install wall fixings supplied

Interactive Whiteboard

Our premium interactive board is specifically designed for its superior image quality as a projection screen, whilst still allowing multi-purpose use as a marker board surface. This low reflectivity surface is perfect for image projection whilst still being an easy clean, scratch resistant surface.

Features

- 1500mm deep board to capture larger images
- Finger touch unit can be installed onto board
- Superior low reflectivity surface
- Magnetic receptive surface
- Durable, resistant to scratches and stains
- Strong aluminium frame with hidden fixings
- Cradle to cradle certified porcelain - no VOCs
- 25 year surface guarantee

Finishing Options

- Available up to 3.6 metres in length
- Two height options 1200mm or 1500mm
- Corner caps or mitred option

Accessories

- Hidden, easy to install wall fixings supplied
- Aluminium pen shelf in anodised finish

Pin Board + Combination Board

Our functional and decorative pinboards are one of the easiest ways to display and communicate information. Customisable fabric colours to suit any indoor space such as school or office use.
