# PRESENTATION LEARNING PRODUCTS

## INNOVATIVE EDUCATIONAL DISPLAY + VISUAL COMMUNICATION

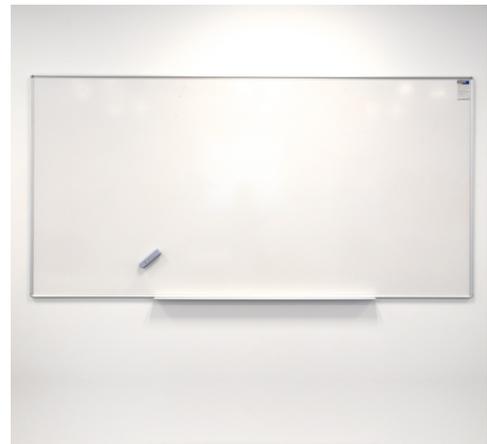

VISION Presentation Products is the educational display and visual communication division of Potter Interior Systems. We manufacture and provide an extensive range of high quality products that include whiteboards, pinboards, noticeboards, glassboards, mobile boards and acoustic wall coverings.

With a strong focus on adaptable innovative learning environments, VISION can provide a aptitude of solutions customisable to your space and project.

### PREMIUM WHITEBOARDS

High quality magnetic procelain on steel whiteboards are ultra smooth with high durability that makes them perfect for hard-working environments such as classrooms, training facilities, and offices. Fully customisable, our boards are manufactured in New Zealand and come with a 50 year surface guarantee.

Available in white or grey board, aluminium framed or unframed. Aluminium frame available in silver or powdercoated to a colour of your choice.

### QUALITY PINBOARD + NOTICEBOARDS

A pinboard is a tactile way of communication. We manufacture a complete range of quality pinboards and noticeboards with custom options.

Available in vast range of fabric, colours and sizes to suit every situation. Available edgewrapped or aluminium framed.

## ACOUSTIC WALL COVERINGS

We offer a wide range of well-known New Zealand acoustic wall covering products to create a unique space with acoustic properties. Durable and hard wearing, the acoustic wall coverings are suitable for many applications including offices, openplan offices, breakout areas, boardrooms, showrooms, classrooms, libraries and restaurants.

Available in a vast range of colours, and custom designed to specific projects or to suit your company brand.

## CUSTOM OPTIONS

VISION prides ourselves on our adaptable nature to deliver complete customised solutions. Our whiteboard and pinboard products are designed and manufactured in New Zealand, ensuring delivery of individual custom customer and project specification.

Our custom project solutions have included, whiteboard walls, interactive projector whiteboards, curved whiteboards, laser etched branding and planners, whiteboard tables, watercut whiteboard to pinboard shapes, custom designed and printed wall coverings, non standard sizes.

We can work together to deliver your concept and ideas to the highest of standards.
